## Wolter Park Bushcare Group

### A new Bushcare Group

Members of the local community have gathered together to start a Bushcare Group in Wolter Park. The aim is to restore Albany Creek back to its original habitat. Along with the support of Moreton Bay Regional Council, we are seeking local residents who are keen to weed, plant and get their hands dirty. It is a great opportunity to learn about local, native plants and weeds. If you would like to assist, come along.

Join us at:

**Time:** 8.00am – 10.00am

**Date:** 1<sup>st</sup> Sunday of the Month

**Meet:** In the car park of Albany Community Centre, and C and K Kindergarten, Albany Creek

### Important Information:

- All activities are free
- All tools and equipment will be supplied for the activities
